Is there anything else that you would like us to know about you and/or your family?

.....
Have you applied to adopt a dog with another rescue?

If so, what is the status of your application?

Have you applied to adopt a different dog from Papillon Pals Rescue?

.....
Do you agree to have a representative of Papillon Pals visit your home prior to adoption?

Do you agree to a follow-up visit after adoption?

Do you agree to pay an adoption donation of \$100-\$600, depending on the dog's age, health and possible special needs?

.....
If anything were to happen to you that would prohibit you from keeping the dog, do you understand that a Papillon Pals Rescue must be notified and the dog must be returned to us?

.....
Do you understand that the amount designated as an adoption donation is just that—a donation. When a dog is returned adoption donation is not refunded. There may be special exceptions to this rule. These exceptions will be reviewed and determined by Papillon Pals Rescue's Board of Directors and all decisions are final.

.....
Thank you for completing this application and thank you for wanting to give a forever home to one of our rescued dogs!

I have read the above information carefully and have filled out this application honestly. I understand that omission of information and/or failure to answer all questions and sign the application can result in this application being declined. Also, if an omission or untruth is discovered after an adoption takes place, I understand that Papillon Pals Rescue, Inc. (PPRI) reserves the right to annul the adoption and reclaim the animal. I give Papillon Pals permission to fully investigate the information provided as well as contact veterinarians and related officials. If the application passes this review, I agree to a home and yard visit on a mutually agreed date by a Papillon Pals volunteer before an adoption decision is made.

In addition, I understand the adoption decision is dependent on many factors, including but not limited to the compatibility of the family and home to the individual animal, and other applications received on this animal. I understand it is the Papillon Pals prerogative to decide which home is most appropriate and that their decision is final, and therefore I will not argue with the decision. Unless otherwise indicated by Papillon Pals, I am free to apply and undergo the application process in the future.
